The exams will be administered at Pearson Professional Centers which are designed for secure, high-stakes professional exams and have been used by medical, legal and other examination boards for over eight years. Cisco already uses Pearson Professional Centers to administer the practical exam for CCDE (Cisco Certified Design Expert). More information on the centers is available at www.pearsonvue.com/cisco/ccie. All CCIE R 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
