product of modern computer and the Internet, online games have become very popular among college students. Many students have enjoyed great pleasure and satisfaction from these games. But as we see, some students lacking self discipline on too much indulge in these games. So that their health and academic performances are affected. This phenomenon has caused much worry from the teachers and parents. However, some others argue that online games are not always harmful. They can train their ability of youngsters to respond to things quickly. Moreover, they can stimulate their imagination and their interest in computer science. More importantly, it does bring college students much pleasure and release their pressure greatly. Form my point of view, online games are wonderful entertainment if you play them in a clever way. When they interfere too much with your study, it is better for you to give them up at once, but if you have enough self control over them, you can certainly obtain real pleasure and benefit a lot from them. 相关链接：09年6月英语四级考试试题 答案(文字版) 2009年6月20日英语六级标准答案公布 2009年6月英语六级考试真题 word版 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
