priorities are being set for science, education, or any other area, the  
most important question to consider is: How many peoples lives will  
be improved if the results are successful?" argu: 218 The following

appeared in a memorandum from the president of Hyper-Go Toy  
Company. Last year, sales of our Fierce Fighter toy airplane declined  
sharply, even though the toy had been a top seller for three years.

Our customer surveys show that parents are now more worried  
about youthful violence and are concerned about better education  
for their children. Therefore, to maintain profits we should  
discontinue all our action toys and focus exclusively on a new line of  
educational toys. Several other toy companies have already begun  
marketing educational toys and report sales increases last year of 200  
percent. And since the average family income is growing, sales of  
new Hyper-Go toys should also increase. 编辑推荐：#0000ff>2011
