对于一些描述性的雅思口语part 2题目，不少同学表示可说的内容比较少，所以在2分钟之内的表达显得干巴巴的，没有什么实质性的东西。事实上，如果能够提升自己对于细节的专注程度，在part 2的考试中能够令人眼前一亮。我们以“描述你在特殊场合穿着的衣服”这个话题为例。如果仅仅描述一件衣服，那么可说的内容很少。但是如果更加专注于如何描述这件衣服的背景故事和增添一些比较地道的描述，那么实际的效果是大不相同的。仅以下文为例，供广大考生参考。 Describe a piece of clothing you wear on a special occasion

Key points:

Graduation, school, pink dress, accessory, Actually, in my high school, students are required to wear the school uniforms each day at school. Everyone looks the same to a great extent. 【程度的描述】

No ones special. So after a while, we all have the similar physical features. Baggy pants, oversized jackets, and big glasses on our faces, 【生动的描述】 of course 【自然的语序】. Lucky enough 【选取比较自然的连接词】，we had a graduation ceremony, and the high school allowed us to wear something casual 【转换词性】 on that very day.来源：百考试题

For this special day, I picked up a really nice dress. My mum and I found it at an elegant shopping mall, which was stunning in the store window. 【还是细节描写，而且增添了背景故事】 I had my eyes on that dress immediately. It was a

pink dress with a black leather belt, which was neither too fancy nor too formal. 【加入形容的部分】 It boasts an graceful cutting style with a U-neck shape. Somehow, it reminded me of a typical Chanel dress. 【加入了西方文化背景知识】 My mum said it might be too mature for my age, but I believe it was OK. 【自然地加入自己的态度和看法】 Now think about it, I guess I was eager to be an adult at the time, so wearing a dress that pretty could significantly improve my confidence as a 18-yr-old young lady. Besides, the color was perfect for my skin tone. Actually, a look is never finished without the right accessories. 【除了衣服以外增加一些小细节，有助于丰富所描述的整体内容】 I chose to wear the pearl necklace and a really nice pair of beige 【稍微“高级”一点点的词汇就可以】 leather shoes. Not surprisingly, I got more than my fair share of compliments 【地道的描述方式】 at the graduation ceremony on that day. 在part 2当中非常不建议学生背诵范文。我们可以做的是平时多多积累好的表达方式和各种地道的词汇及用法，然后尽可能在口语练习中进行不断地练习和提高。通过持续的练习，每个学生在自己的基础上有不同程度的提高。最后，希望大家都取得令自己满意的雅思成绩！相关推荐：#0000ff>雅思口语考试的切题和跑题 #0000ff>英国留学：解决雅思口语的秘诀 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
