The deal was for cash consideration of 6.25 Singapore dollars per share, or 1.47 billion Singapore dollars (1.02 billion U.S. dollars) in total. The agreement was signed between PetroChinas indirectly wholly owned subsidiary, PetroChina International (Singapore) Pte.Ltd., and Keppel Oil and Gas Services Pte Ltd, a wholly owned subsidiary of Singapore-based Keppel Corporation Limited ("Keppel"). The deal was still waiting for the final approval from Chinas regulatory departments. PetroChina and Keppel also plan to explore opportunities in the offshore oil industry and expect to realize more mutual interests, said PetroChina. As one of the largest oil and gas companies in the world, PetroChina is engaged in a broad range of oil and natural gas activities including the exploration, production and refining of crude oil and natural gas. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
