Poor ' s 500 Index (.SPX) fell 9.88 points, or 0.92 percent, at 1,058.42. The Nasdaq Composite Index (.IXIC) 0dropped 11.17 points, or 0.52 percent, at 2,121.69. * The latest data provided selling impetus, but the market was already lower as a resurgent U.S. dollar took a toll on global commodity prices and investors paused to gauge if the outlook for corporate profits justified the market ' s recent run-up to 11-month highs. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
