：考试大的美女编辑们 A good neighbor is someone who, for instance, understands that your children may occasionally run across his lawn, even though you tell them not to. He ' ll realize that children can be careless about things like that, and he won ' t make a big fuss about it unless it becomes a regular thing. In the same vein, he knows that you ' ll understand if some of the trash from his trash cans blows across into your yard. IN other words, he is sensitive to the unintentional things that can happen. He doesn ' t make a big deal about them. A good neighbor is also respectful of your property. For example, she asks your permission before doing anything that interferes with what ' s yours. This means she wouldn ' t plant a huge tree in between your houses without asking how you feel about it. If she wanted to put up a fence, she would let you know first. She might work with you to decide where it should be placed. Maybe the two of you would even split the cost. A good neighbor would lend you some milk if you ran out . She ' d give you a ride to work if your

car was broken, and let your children stay at her house in the evening if you got stuck working overtime. You would do the same for her. Both of you would help make the other ' s life easier. when something really awful happens to you, like a death in the family, a good neighbor will volunteer to help in any way he can. This could mean something small, like making some casseroles to put in your freezer to feed visiting relatives, Or it could mean something big, like helping you get through the sadness of the funeral.来源：考试大 I think only someone who has experienced a bad neighbor can really appreciate a good one!
