Daughter... Dear Daughter, Ive loved you from the very start. Youre all I hoped a daughter would be, and I hope that my love for you, is clear for you to see. I try so hard to say the things that I know you need to hear, and not a day goes by when I dont wish that you were here. And Im just sending you this message because I want you to know, that youre the bright star in my life. youve set my whole world aglow. 2.My Sister... Youre so far away, but youre here in my heart every day. I know how lucky I am to have a sister like you. Youre not just family, but my best friend too. I only wish that you lived closer to me, so we could get together to share over a cup of tea. But even though youre not here, its such a good feeling to know youre out there... sharing and caring and making each day, so much brighter in your own special way. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
