专四应试技巧（写作篇2：句子的连贯性）句子的连贯性：指句子连接贯通，衔接自然。句子不论长短都应环环紧扣，符合语法、逻辑。请注意以下要点：1) 平行结构：把两个或两个以上意思相近或相对的、地位相当的成分已同意与发行是泛指在一起。其中以下三条规则须加以注意。a) 使用相同的语法来表达具有相同功能的句子成分，可运用并列连词and, but或or等。× If you want to learn a foreign language well, you ' d better try to think in it and speak it as much as possible. If you want to learn a foreign language well, you ' d better try to think in it and to speak it as much as possible. b) 正确使用相关连词，如both...and, not ... but, not only ... but also等。× Wang Lan is not only clever but also she is helpful. Wang Lan is not only clever but also helpful. c) 一个句子或段落中的人称、时态、语态要始终保持一致。× One reason I like to go to school on foot is the physical exercise I get from it. I like to go to school on foot I regard it as a kind of physical exercise. 2) 代词一致：句中代词应在数、性、人称等方面保持一致，或者与它所照应的名词词组在这些方面保持一致。如：We each are responsible for our own jobs. We are each responsible for his own jobs. 3) 代词与先行词一致：写作时应弄清楚代词究竟指代哪个名词，否则意思不明确，造成模棱两可的感觉。如：× The old woman told the little girl that she was wrong. The old woman told the little girl, " I am wrong. "
