Do you think its advantages outweigh its disadvantages? Nowadays, a large amount of advertising is aimed at children, so some people think there are lots of negative effects on children, and should ban it. To what extent you agree or disagree? Some people think that giving aids to the poor countries has more negative impacts than positive ones. To what extent do you agree or disagree? Some people think that a new language should be invented for people from different countries to use for the international communication. To what extent do you think its

advantages far outweigh its disadvantages? Old generations often hold some traditional ideas on the correct way of life, thinking and behaviour. However, some people think that it is not helpful for the young generations to prepare for modern life in the future. Whats your opinion? Unemployment is getting increasingly serious in many countries. Some people think students only need to get primary education, while others think secondary education is necessary. Whats your opinion? Some people believe that a country becomes more interesting and develops faster when its population is mixed with different nationalities and cultures. To what extent do you agree or disagree with it? With technology speeding up, more and more young people begin to use mobile phones and the Internet, but old people have little chance to be exposed to them. What ways could mobile phone and the Internet be useful to old people? How do old people be encouraged to use this new technology? Some people think students should learn more practical courses like computer, but others think they should learn more about the practical courses like geography and mathematics. Discuss both views and give your opinion. Some people think the main benefit of international cooperation is in protection of the environment, while others think that the main benefit is in the world business. Discuss both views and give your opinion. Some people think that students should be organized into groups to study, while others argue that students should be made to study alone. What are the benefits of each study method and which one do you think is more effective? Once children start school, teachers have more influences on their

intellectual and social development than parents. To what extent do you agree or disagree? Nowadays, some organizations and charities publicize their activities by introducing special days every year like national childrens day and non-smoking day. Why do they introduce special days and what effects does this have? The international travel become cheaper, more and more countries open their door and more tourists. Do the advantages of the increased tourism outweigh the disadvantages? Fashion is more and more important in our choice of clothes. Why? Do you think it is a positive or negative development? 相关推荐：雅思口语的锤炼需要三个步骤 雅思口语篇：30天冲刺备考计划 100Test 下载频道 开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
