1. Some people think young people should go to university to further their education while others think they should be encouraged to work as car mechanics or builders etc. to serve society. Discuss both views and give your own opinion.
2. Some people believe that university students should pay all the cost of studies because university education only benefits the students themselves not the society as a whole. To what extent do you agree or disagree?
3. Air transport is increasingly used to export types of fruits and vegetables to countries where they cannot be grown or are out of reason. Some people say it is a good thing, but other people think it can't be justified. Discuss both sides and give your own opinion.
4. Surveys show that in many countries, people are living longer but increased life expectancy has many implications for the aging individuals and for society as a whole. What are the possible effects of longer living for individuals and society?
5. Fossil fuels, such as coal, oil, natural gas are used in many countries. But in some countries, the use of alternative sources of energy, including wind and solar power, are encouraged. Is this trend a positive or a negative development?
6. People can perform everyday tasks, such as shopping and banking as well as business transactions, without meeting other people face-to-face. What are the effects of this on an individual and society as a whole?
7. Some people think museums should be enjoyable places to attract and entertain young people.

Others think the purpose of museums is to educate, not to entertain. Discuss both views and give your own opinion. 8. Research suggests that the majority of criminals who are sent to prison would commit crimes when set free. Why do you think this is the case? What can be done to solve this problem? 9. In the past, people used to travel to see the differences from their home country. However, the sceneries in places around the world seem similar nowadays. What are the causes of these similarities? Do you think that the advantages of this similarity outweigh the disadvantages? 10. Some people think that family life and parents have great influence on childrens development, while others consider that external influence plays a more important role in childrens life. Discuss both sides and give your own opinion. 相关推荐：>2011年10月雅思写作预测精选> >2011年10月8日雅思考试预测 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
