1.查看所有表空间大小：Sql代码 0select tablespace\_name,sum(bytes)/1024/1024 from dba\_data\_files group by tablespace\_name. 2.已经使用的表空间大小：Sql代码 0select tablespace\_name,sum(bytes)/1024/1024 from dba\_free\_space group by tablespace\_name. 3. 所以使用空间可以这样计算: Sql代码 0select

a.tablespace\_name,total,free,total-free used from ( 0select tablespace\_name,sum(bytes)/1024/1024 total from dba\_data\_files group by tablespace\_name) a, ( 0select tablespace\_name,sum(bytes)/1024/1024 free from dba\_free\_space group by tablespace\_name) b where

a.tablespace\_name=b.tablespace\_name. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
