业务外语外贸函电Making an Enquiry范文模板 Letter

8#f70938> Making an Enquiry
Gentlemen: Please be informed that one of our clients is in the market for peanuts. It will be highly appreciated if you could quote us your rock-bottom prices for the same, with indication of date of shipment. We would like to stress the point that the peanuts enquired for are handpicked Shandong peanuts, 2001 crop and packed in new gunny bags of 100 kgs each. Meanwhile, the goods should be surveyed by a certified public surveyor as to their quality and weight. In order to facilitate our mutual business, it is hoped that you would airmail us the soonest possible your proforma invoice for 2,000 tons of the above commodity with prices on CFR Genoa basis, so that we could get our client's confirmation. Your prompt reply would be appreciated. Sincerely yours, #ff0000> 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
