2010年12月ACCA考试考官报告汇总 问题一的A部分#000000>考生都表现得不好，主要是因为考生对关键成功因素的定义这些知识的生疏。在B部分，考生的这一弱项表现得更加明显。而在C部分，许多考生都能得到七八分，满分是十分。

Specific Comments
Question One The question requested sections of a report on the identification and linking of critical success factors (CSFs) to key performance indicators (KPIs) and the subsequent impact of these choices on the information systems of a film production company (FP). In general, answers to requirement (a) were weak with few of candidates gaining maximum marks by ensuring that their example metrics were relevant to FP. The problems were due to a lack of knowledge of the definition of monitoring
