Example of how boxes would appear in the passage text: Scholars

offer three related but different opinions about this puzzle. One

opinion is that the paintings were a record of the seasonal migrations

made by herds. Because some paintings were made directly over

others, obliterating them, it is probably that a painting 's value

ended with the migration it pictured. Unfortunately, this

explanation fails to explain the hidden locations, unless the

migrations were celebrated with secret ceremonies. 正确答案是
