Either way, the relationship may affect the student for the rest of his life. A good teacher-student relationship will make learning enjoyable and efficient, and make the teachers job worthwhile. In contrast, a bad relationship can discourage the students from learning, and make teaching an unpleasant task. But how to build an ideal teacher-student relationship. First of all, the teacher and the student should respect each other, which is the precondition about good relationship. Moreover the teachers attitude plays an important role. If the teacher is too strict, it might frighten the student. On the other hand, if the teacher is too permissive, the student may become lazy. Besides, the teacher should give the student encouragement, as well as have patients and understanding. Finally, as for the student, he should be eager for knowledge and willing to work hard. If he learns from his teacher modestly, he will be able to profit fully from his teachers teaching. In conclusion, a good teacher-student relationship need common efforts from both the teacher and the student, and it can be mutually beneficial. The student gains knowledge enjoyably and the teacher gains satisfaction from his teaching job. 点击查看：英语四级段落写作基本理论与技巧 英语四级英译汉的目的,要求和评分
