During the holidays, more and more students choose to be the volunteers, take part-time jobs or take part in other practical activities alike.

It is obvious that social practice is playing a more and more important role in Chinese college education. Undoubtedly, college students have benefited a lot from social practice. Above all, there are provided with more opportunities to contact the real world outside the campus.

Moreover, in social practice activities, students can apply their knowledge to solution to practical problems. So the social practice skills are improved greatly. Besides, social practice help strengthen students since social responsibility. Considering their above mentions. I think it is necessary for college students to participant in social practice. However, social practice may bring some problems. For example, some students spend too much time in taking part-time jobs so as to ignore their study. Therefore, we should try to balance relationship between social practice and study.英语六级考试写作技巧 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
