In 1992 there were only thirty thousand people taking part in the Continuing Education, but in 1995 the number grown to 60 thousand ,and in 2000, one hundred and 40 , and by to 2007, the number has reached two hundred and teen thousand . It can be seen easily that Continuing Education is gaining more and more popularity. the following reasons are responsible for this boom in Continuing Education. firstly, during the work many people begin to realize what they have learned in school is far from enough. so they turn to Continuing Education to gain more knowledge and skills. Moreover, as the science and technology in China are developing very fast, adults after graduation have to refresh themselves . In addition in modern society . though without Bachelor have been laid off. A less competitive .as far as I am concernd the Boom in Continuing Education is a necessity. Improvise those under job people with transcends to get advanced degrees and gain more knowledge. As our society is developing ,more and more people will receive Continuing Education in the future. 进入查看：英语四级段落写作基本理论与技巧 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
