Nowadays required class attendance is very common at colleges and universities. Most people take it for granted that students should attend all the classes required by school.

However still some others do not agree with this argument. They dont think it should be compulsory for students to attend class.来源

: [www.100test.com](http://www.100test.com) As for me, Im in favor of the latter opinion. The following reasons can account for my preference. First, the rigid attendance policy does not benefit students studies. For example, a student may have to give up a lecture which he finds useful to his studies simply because he dare not run the rest of being penalized for his absence in his course. Second,the lectures of some teachers are not always constructive. A student should be allowed to tell for himself whether an inclass experience is worthwhile. Finally and most importantly, there is no proving and corelation between class attendance and academic performance. A student may never be absent in a course, but who knows whether or not he is just sitting there daydreaming all the time. In conclusion, class attendance may secure one hundred percent attendance for a course.But it is not really beneficial to us. As college students we should learn to make the right decisions for ourselves about whether to attend a class. 进入查看：英语四级段落写作基本理论与技巧 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
