mergence is a new trend in university development. As a hot topic on and off campus, it has received much of public attention. Peoples attitudes towards it vary greatly.采集者退散 People who against it see it as a hasty decision, which has some potential problems. They claim, for instance, located far away from each other, universities involved with mergence are usually faced with the tough problem of management. Other people who favor it see it as a step that universities take towards the goal of first-rate world university. They argue that, only through mergence can university take full play of advantages and make up their disadvantages. Like the mergence between Tsinghua University and the Institute of Applied Arts. The universitys strengths in the field of high techonology complement the latter university that has a reputation for art. They also point out that by mergence the Chinese universities will increase their competitie power in the world. In my opinion, the university mergence has more advantages than disadvantages, but the university should take into account the potential dangers resulting from the mergence. 相关推荐：09年英语四六级考试政策及常见问题汇总 四六级听力考试十大热门问题解答 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
