For this part, you are allowed thirty minutes to write a composition on the topic We Need to Broaden Our Knowledge. You should write no less than 120 words and you should base your composition on the outline (given in Chinese) below: 1. 科学技术是社会发所不可缺少的 2. 社会科学和自然科学相互渗透 3. 现代大学生需要广博的知识 We Need to Broaden Our Knowledge 范文：本文来源:百考试题网 Knowledge is power, especially scientific and technological knowledge. Science and technology are the motive power of the social development. Without them human society could never have developed from primitive society to modern society. Therefore, to conquer and transform nature, we must master scientific knowledge. However, social knowledge is also essential. Without it we can not understand society and don ' t know the law of the social development. As a result we are unable to tovern society. Therefore, besides scientific knowledge we need to master social science, philosophy, politics, history, aesthetics, etc, so that we can know society from all perspectives and form a correct world outlook. To meet new challenges in he 21st century, we university students should lose no time to acquire as much knowledge as possible so that we will become qualified successors of the socialist cause. 相关推荐：大学英语四级考试写作指导四方谈 英语四级英译汉的目的, 要求和评分 100Test 下载频道开通，各类考试题目直接下载。
