It is easier to negotiate initial salary requirement because once you are inside, the organizational constraints influence wage increases. One thing, however, is certain: your chances of getting the raise you feel you deserve are less if you don ' t at least ask for it. Men tend to ask for more, and they get more, and this holds true with other resources, not just pay increases. Consider Beth ' s story: I did not get what I wanted when I did not ask for it. We had cubicle offices and window offices. I sat in the cubicles with several male colleagues. One by one they were moved into window offices, while I remained in the cubicles. Several males who were hired after me also went to offices. One in particular told me he was next in line for an office and that it had been part of his negotiations for the job. I guess they thought me content to stay in the cubicles since I did not voice my opinion either way来源

: www.examda.com Q: What can be inferred from Beth ' s story?
A. Prejudice against women still exists in some organizations. B. If people want what they deserve, they have to ask for it. C. People should not be content with what they have got. D. People should be careful when negotiating for a job. 答案：选B。又细节可知Beth由于没有提出要求而得到新的办公室。其实这个例子是为了说明第一段中的观点,your chances of getting the raise you feel you

deserve are less if you don ' t at least ask for it.。 B是对这一观点的正确描述。 相关推荐：大学英语四级阅读超级攻略 英语四级词汇：常用动词固定搭配 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
