Nowadays, more and more people are exchanging a great variety of information by using electronic mails instead of traditional ways of mailing letters. Some people think that e-mail makes relationships among people closer, while some others maintain that makes people drift apart. Those who hold the former opinion insist that the appearance of e-mail makes communication quicker and more convenient. By e-mail people can deliver more information including pictures and sounds. However, some others think e-mail with the same format and printfont includes less emotion, then traditional letters written by hand. Most people use e-mails to deliver information instead of feelings.百考试题 - 全国最大教育类网站(100test.com) From my point of view, e-mail does bring great convenience for people, but it is not a better way to express our feelings than traditional letters. Our hand-writing on the paper can deliver much emotion. Therefore, when you want to express your love and care to someone, writing a letter to her or him by hand is a wise choice. 相关推荐：大学英语四级考试写作指导四方谈 英语四级英译汉的目的,要求和评分 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
