Never give up has been accepted by many people as a positive life attitude. Admittly persistence often plays an important role in one success. However,in many cases to give up might be wiser than to persist blindly. The following reasons can support this argument. Firstly,sometimes our goal may be unrealistic. If we insist on it blindly, it will finally bring us nothing but failure. At this time,what we should do is give up the orignal goal and reset a more practical one. Secondly,not all persistence can bring deserving results. For a very simple example if we keep waiting in line for hours, only to have a luncheon restaurant may be it is unwise.来源：考试大 Finally, to give up wisely does not mean admitting failure. Instead,it does mean a new hope of success. Considering the above mentioned, we can come to the conclusion that to give up wisely is a kind of more mature life attitude. Though giving up sometimes is painful and costly,in the long run what we gain will definitely far out weight what we lose. 相关推荐：2009年12月英语四级写作的基本理论与技巧 英语四级10种常见典型语法错误分类解析 100Test 下载频道 开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
