Experience百考试题论坛 Last Friday my English teacher told me  
that one of her friends was looking for an English governess. I asked  
for her friend name and phone number and determined to seize the  
chance. I was a little bit nervous when I went to the woman house. I  
was told that the talk between us that day would decide whether I  
could take the job. However, when the woman, Lucy as she was  
called, welcomed me into her house, I felt much relaxed. I thought as  
long as I was sincere and friendly I would perform well. The  
conversation went on smoothly. She seemed much more interested  
in my habits and hobbies than how good I was at English. Then it  
seemed that I did the most talking that day. I told her about my  
family and school life. Obviously I succeeded and from then on I  
went to teach her English every weekend. Lucy told me later that it  
was my sincerity that makes her willingly accept me. It is true that  
there are many tips while seeking for a job, but remember to be  
sincere. It the secret of my success. 相关推荐：2009年12月19日大
