More and more college student lovers choose to live together off campus. This phenomenon has aroused great public concern and there are much discussion on its advantages and disadvantages. 采集者退散 Admittedly, college students ' cohabitation has its advantages. One of them is that the lovers can know each other better by living together. They can decide whether their romantic relationship should go on. Secondly, cohabitation matures college students and improves their sense of responsibility. However, there are also many problems resulting from the cohabitation on campus. A good example to illustrate this point is that some girls might be hurt by their irresponsible boyfriends. Besides, living together will involve many trivial things, which of course will influence their study. From my point of view, it is unwise for college student lovers to live together during their education. After all, premarital cohabitation is not an easy thing, which is too early for college students who are not mature enough. Therefore, I suggest that the college students should take love seriously and do not choose to live together before graduation. 相关推荐：英语四级段落写作基本理论与技巧 大学英语四六级常见词根构词总结 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
