Indeed, it is widely accepted that it has gained growing popularity among persons in all walks of life. There is a general discussion today about the issue of disorder in brains。 Obviously, it is necessary that effective actions should be taken to prevent problems. Authorities in universities play a critical role in the situation. To begin with, schools, such as colleges or universities, can provide chances for the young men to ease their attention. Whats more, some are physically strong, but psychological problems are able to bring potential threats. Teaches may have a chance to find them in advance. Besides, specialists in this field are to be required to make full preparation for cases in time. Facing the crisis, experts can deal with it in a professional way, which means they have more or better opportunities to save us than others. (学校) From the factors mentioned above, we may safely draw the conclusion that we can free ourselves from mental illness by taking certain precautions. For example, if you have pains or puzzles in mind, finding a friend to

express these is a good way to release pressure. Certainly, there is little doubt that further attention will be paid to the issue。 (我们) 总结： potential threats 潜在威胁 ease 减轻， 舒缓 psychological problems 心理问题 precaution 预防措施 release pressure 释放压力 play an important/critical role in sth it is widely accepted that ... ...
