Nowadays, there exist all kinds of lotteries in our society, such as welfare lottery, sports lottery, computer lottery, and so forth. Anyone, whether men or women, the young or the old, may buy lottery tickets. But why do so many people like buying them? The following reasons can account for the popularity of lotteries. First of all, most people are trying their luck on lottery tickets. They have a long-cherished dream of making big money overnight. In addition, there are some people who want to make donation to public welfare by buying lottery tickets. Besides, some people buy them just for fun。 As far as I am concerned, there

are some risks in buying lotteries. People never should count on making big money by buying lotteries. Furthermore, lotteries to some extent are similar to gambling, so people should not spend too much money and energy on them. In a word, people should keep a clear head when buying

With the popularization of Internet, cyber crimes have become a serious problem facing us. Nowadays cyber criminals seem to be everywhere on the Internet. To illustrate, some commit fraud or lift intellectual property, others snatch passwords or disrupt e-commerce, and still others unleash viruses to crash computers. As a result, these crimes destroy network security greatly and make computer users suffer great losses. However, we shouldn't tolerate these cyber criminals any more. It's high time for us to take effective measures to fight

against cyber crimes. First, we should reinforce the cyber laws to punish cyber criminals strictly. Moreover, we should develop high techniques as soon as possible to improve intrusion detection and prevent cyber crimes. Besides, more talented people should be trained and more effective firewalls should be built up so as to make the net immune to all kinds of viruses。 As college students, we have responsibility to join the battle against cyber crimes. For one thing, we should not use others ' computers unless we get permission. For another, we should be honest to others on the Internet and not release or spread unreal information. In a word, it takes our common efforts to defeat cyber crimes。

2009年英语六级作文预测范文(三) Directions: For this part, you are allowed 30 minutes to write a composition on the topic Secondhand Goods. Nowadays there are more and more secondhand goods in the market, such as secondhand books, furniture, appliances, cars, and so on. Why do so many people like to buy secondhand goods? The following reasons

can account for this phenomenon. Above all, secondhand goods are cheaper than new ones. This enables those people who have poor financial abilities to buy the things they want. Moreover, secondhand goods transactions make it possible for people to make good use of the goods which may be useless in their hands. Besides, Internet provides a more convenient and quicker transaction platform for secondhand goods. However, there are also some problems in secondhand goods transactions. For one thing, the quality of secondhand goods can not be promised and you can not enjoy the good after-sale service. For another, secondhand goods market lacks enough supervision and management, and there exist many dishonest business activities. In a word, I think secondhand goods transaction is a good trading way, but it needs further perfection of the rules。 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
