Attending TV PK Shows Does No Good to Young Peoplewww.

E xamda.CoM考试就到百考试题 In recent years, TV PK shows are great hits in China and have attracted many young people.Some

youngsters even give up their studies to attend these shows in the hope of becoming famous overnight. Some people think these shows provide young people more chance to show talents, while others believe that attending these shows does no good to the young people. As for me, I prefer to the latter opinion. It should be admitted that some young people like Li yuchun have stood out from the numerous attendants in the PK show, but that doesn't mean attending the PK shows is a good way to become successful for young people. Several factors contribute to my argument. First of all, TV PK shows breed restlessness and induce young people to hunt after fame at whatever cost. Secondly, TV PK shows can subvert the youngsters' values. They think attending the PK shows is a shortcut to the success, so they may despise the way of achieving success by hard work. Finally, if the young people fail in these shows, they will suffer a psychological unbalance. To sum up, entering for TV PK shows is not a good way for young people to make a success. I suggest young people should think twice before deciding to attend PK shows.

训练二 【范文】 Where There is A Will, There is A Way Where

there is a will, there is a way. This statement means that if you are really determined to do something, however difficult it might be, you will eventually find a way to do it well. The important point is that you must have the will to achieve success. Ninety percent of the failures that occur are due to the fact that there is no strong will involved. Many people simply say that they want something, but they do not make any attempt to achieve it. So, instead of getting it, they use the feeblest excuse to explain the situation away. Only those with an undaunted will and spirit can fight their way to final victory. Many a famous man has the same experience. They have attained their status because they have had the will to overcome apparently insuperable obstacles. Many artists, statesmen, writers and inventors have managed to succeed because they possess a fierce will, which has helped them to achieve success. According to the above statements, we can see that what one needs is a strong will. Weak-willed people never climb to the top. They crumble at the slightest use of force against them. Strong-willed people, on the other hand, will stand up against all odds and will make it a point to succeed ultimately.

【点评】 本文属于观点论证型作文。其中的观点是一句英语谚语。文章首先以解释说明谚语的含义入手进入主题，紧接着分析成功与失败的原因，逐步论证毅力对于成功至关重要这一观点，最后总结说明一个人要取得成功所要具备的素质。这样文章对观点的分析透彻又有深度。另外文中使用的精彩语句包括：due to，many a famous man，overcome apparently insuperable obstacles，stand up against all odds等等。
