Could you please send me the immediate invoice under contract No. TXI 2-1 in duplicate? PART TWO Both Betty Fashion Shop and our shop

are in city centre, therefore, we have almost the same customers. But there exists a fact that customers are more likely to spend their money in Betty shop. After careful research, we notice that ,although Betty shop has higher prices, they also have more fashionable clothes. Compared with Betty Shop, our real prices are not high, but the comparative prices to fashion are high. Therefore, if our shop decides to increase the profits, we'should purchase highly fashionable clothes, at least as fashionable as Betty Shop, with the prices lower than Betty Shops. As .customers hate increasing prices, it is better to do this gradually. 相关阅读: #0000ff>商务英语写作一般套路 #0000ff>BEC商务英语中级写作需掌握的70个关键句型 #0000ff>2010年商务英语中级: 写作模拟题(1) #0000ff>2010年商务英语中级: 写作模拟题(2) 100Test 下载频道开通,各类考试题目直接下载。详细请访问 www.100test.com
