词组的用法 10、 I was going by the store near your house .. 注意的词语：go by：(顺便走访) 11、 Your black purse and shoes go nicely with that dress. 注意的词语：go with：(伴随、与.....相配) 12、 He always goes beyond my expectations. 注意的词语：go beyond：(超出) 13、 The kids can ' t go along with you. 注意的词语：go along with：(一起去、附和) 14、 Your offer goes to prove that you ' re a wonderful mother-in-law. 注意的词语：offer：(在这里作为“提意”的意思)、go to：(愿意为定位、转到的意思，在这里引申为?) 15、 You know I get sick every single time the temperature goes below 68 ° . 注意的词语：go below：(下降) 此要注意一下五个以“go”打头的短语与词组的用法 16、 I could really go for a good comedy. 注意的词语：go for：(在这里作为“主张”的意思) 17、 we can barely make ends meet. 注意的词语：ends meet：指收支平衡 18、 Every thing I say goes in one ear and out the other. 注意的词语：goes in one ear and out the other.：(一个耳朵进，一个耳朵出。指听不进去的意思) 练习： If a computer were to design the perfect U.N. Secretary-General, he or she would look something like this: African born. European and American educated, with decades of service in the U.N. system. married to a European. and possessing a quiet charisma and calm authority as chaos arises. That the U.N. in 1996 found such a person to restore its sense of direction and purpose was a near miracle. But out of the U.N. ' s failures in Bosnia, Somalia and Rwanda came Kofi Annan, the career international civil servant who had participated in these disasters yet somehow survived and learned from them. Today Annan is in the middle of his second term. His

task is not finished, and the U.N. is still far from what it should be. But Annan has tested the limits of the job, accumulating more authority-one cannot use the word power, given the constraints the U.N. system places on him-than any of his predecessors. His complex relationship with the U.S. government is little understood. When Annan takes positions in public that are displeasing to the bush administration, it unleashes its attack dogs. Yet when administration officials found their policies in Iraq floundering, they asked the U.N. for help. Some observers told Annan that he should responsibility was to the cause of stabilizing Iraq. He began to work toward the decisive date of June 30, when the u.s. will hand over control to Iraqi authorities and an uncertain situation will prevail determined by factors way beyond his, or anyone else ' s, ability to control. But it is Annan ' s destiny to be handed the very worst problems after they have been unsuccessfully addressed by others. Anyone who knows him knows he wades into such problems with his usual blend of courage, self-control, modesty and optimism. 更多推荐：#0000ff>2011年公共英语考试三级重点句型及考点练习汇总 热点信息：#0000ff>2011年下半年全国英语等级考试报名信息汇总 #0000ff>2011年上半年全国英语等级考试成绩查询时间及入口 考试培训：为了帮助考生更快捷地通过全国公共英语等级考试，百考试题网校特推出#ff0000>网校辅导课程，该课程由百考试题网校权威专家主讲，课件全部采用视频授课形式呈现给广大学员，学员可以随时报名参加学习，课程自付费之日起#ff0000>可以随时、反复学习。#0000ff>100Test 下载频道开通，各类考试题目直接下载。详细请访问
