Do you like watching TV? What kind of programmes is your favourite one? Yes, I like watching TV. With the living standards of people rising year by year, television is now playing a very important role in people ' s lives and TV programmes have been an essential part of our entertainment. Of many TV programmes, news broadcast, sports competition, telefilms are to my liking, and my favourite programme is "Animal world", which is broadcasted on CCTV. For many years I have regarded" Animal world" as my favourite TV programme because it is both interesting and instructive. It is not only showing some very beautiful pictures but also telling many new things and unknown stories. I think it is hard to imagine a world without animals. 考生在回答这个问题时就可以选择自己熟悉的电视节目来表述，这样易于扩展要讲的内容。
