In the past twenty years, there has been an increasing tendency for workers to move from one country to another, ____1____ some newly independent countries have understandably restricted most jobs to local people, others have attracted and welcomed migrant workers. This is particularly the case in Middle East,1 ____2____ increased oil incomes have enabled many countries to ____3____ outsiders to improve local facilities. ____4____ the Middle East has attracted oil-workers from the U.S.A. and Europe. It has brought in construction workers and technicians from many countries, ____5____ South Korea and Japan. www. Examda.CoM
考试就到百考试题 In view of the difficult living and working conditions in Middle East,2 it is not ____6____ that the pay is high to attract suitable workers. Many engineers and technicians can earn at least ____7____ money in the Middle East as they can in their own country, and this is a major attraction. An allied benefit is the low taxation or complete lack of it.3 This increases the net amount of pay received by visiting workers and is very popular with them. Sometimes a disadvantage has a compensating advantage. ____8____, the difficult living conditions often lead to increased friendship when workers have to depend on each other ____9____ safety and comfort. ____10____, many migrant workers can save large sums of money partly ____11____ the lack of

entertainment facilities. The work is often complex and full of problems but this merely presents greater challenge to engineers who prefer to find solutions _____12_____ problems rather than do routine work in their home country. One major problem which _____13_____ migrant workers in the Middle East is that their jobs are temporary ones. They are nearly always on contract, so it is not easy for them to plan ahead with great confidence. This is to be expected since no country welcomes a large number of foreign workers as permanent residents. _____14_____, migrant workers accept this disadvantage, along with others, because of the

_____15___ financial benefits which they receive. 1. A) As B) Since C) While D) Although 2. A) which B) where C) when D) there 3. A) call in B) call off C) call up D) call on 4.
