专八考试作文冲刺试题（3） Topic 4 The government now encourages college graduates to work in villages as assistant village heads to improve and strengthen rural administration, as well as creating more jobs for those graduates. By now, there have been 78,000 graduate-turned-village-officials in China. However, there is an opinion that the rural areas are not a good buffer for graduate employment. Do you agree with this opinion? Write an essay of about 400 words on the following topic: Can College Village Heads Plan Really Help? In the first part of your essay you should state clearly your main argument, and in the second part you should support your argument with appropriate details. In the last part you should bring what you have written to a natural conclusion or make a summary. Marks will be awarded for content

, organization, grammar and appropriateness. Failure to follow the above instructions may result in a Loss of marks. 范文呈现 Can College Village Heads Plan Really Help? Due to the Grand College Enrollment Plan, the number of university graduates has been on the increase since the central government started implementing the plan. Though the plan helps improve our national quality, it creates pressure for the job markets. With so many college students coming out at a time, many graduates have difficulties in finding suitable jobs.

In order to create more jobs, the government encourages college graduates to work in villages of our country with a view that rural administration will be strengthened at the same time. As a result , tens of thousands of college graduates have been appointed as village officials in the rural areas. It appears that this plan helps alleviate the pressure caused by graduate employment , but I do not think the plan will work in the long run. Firstly , after serving as village officials in the rural areas for two years, the majority of those college village officials will start to look for jobs in the job market again , ag 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
