Many play network games in their spare time for relaxation. There are also many who are so obsessed with network games that they play truant, and others even commit a crime for one reason or another. What do you think of network games? Write an essay of about 400 words on the following topic: Should Network Games Be Banned in College? In the first part of your essay you should state clearly your main argument, and in the second part you should support your argument with appropriate details. In the last part you should bring what you have written to a natural conclusion or make a summary. Marks will be awarded for content, organization, grammar and appropriateness. Failure to follow the above instructions may result in a loss of marks. 范文呈现 Should Network Games Be Banned in College? It is a prevailing practice that university students play network games in their spare time for relaxation. Some teachers and parents hold the negative opinion that many students are so obsessed with network games that they play truant, and others even commit a crime for one reason or another. Others don't agree. As far as I am concerned, the critical point is whether the students can keep a balance between study and games. Some thought that playing

network games will cost a lot of time and energy, which should otherwise be devoted to their academic study. After all , time is limited for college students and its the most fundamental duty for them to study and lay a solid foundation in knowledge. And the content of the network games is sometimes violent and bloody, which is not suitable for students. It is also reported that some students are so addictive to the network games that they even dont go to class and sit in front of the computers all day long. Their worries and considerations are justified , but we should not give up eating for choking. First, life in college is not easy. Students have to work hard to learn and at the same time they have much pressure from their parents or others. Playing network games will help them to relax and be immersed in a virtual world. The rest of heart is important in the modern society. Second, students will learn more about team 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
