英语专四写作佳句篇（8）

1. Although we do not know the long-term consequences of separation or deprivation, we do know that they can produce acute immediate distress. 虽然我们不知道分离和丧失亲人的长期后果，但我们知道它们能立即引起剧烈的悲痛。
2. One can readily trace the disappearance of dinosaurs to a major cataclysmic event. 人们很容易把恐龙消失的原因归结为重大的灾难性事件。
3. the reasons for poverty are many, but for the most part center on illiteracy, the lack of opportunities and in some cases pure laziness. 贫困的原因很多，但主要是因为缺少教育、缺少机会，有的情况下纯粹是由于懒惰。
4. Child development depends on a number of factors, both physical and psychological. Correct parental nurturing from infancy through adolescence determines both the physical and mental profile of a mature individual. 儿童的发展取决于很多因素，包括生理的和心理的。从婴儿期到青春期的正确的家长教育决定一个成熟的个人的体质及智力的状况。
5. Factors such as self-confidence and ambition, combined with determination and willpower, contributes to eventual success or failure. 自信、雄心，加上决心和毅力等因素是造成最终的成功或失败的原因。
6. Various factors will weigh heavily on Chinas eventual entry into the World Trade Organization (WTO). One centers on the total abandonment of protectionism, and the other on the adoption of generally

accepted international accounting norms. 许多因素对中国最终加入世界贸易组织（WTO）有很大的影响。因素之一是彻底放弃保护主义，另一个因素是采用普遍接受的国际会计规范。

7. One of the most common failures of people today is to avoid telling the truth. People must realize that avoidance and lying have never in the past and, in fact, never will right a wrong. 如今人类最常见的一个不足是不说真话。人们必须意识到不说真话、说谎话在过去没有，事实上，将来也永远不会变错误为正确。

8. central planning has, at least in part, been blamed for the current demise of state-owned enterprises. Perhaps, however, the greatest blame should be placed on factors such as grossly inefficient management. the rampant practice of "guanxi", cronyism and nepotism. excessively large work forces. abuses of social benefits. and without a doubt corruption. 人们认为中央计划至少是现在国有企业失败的部分原因。然而，最主要的原因可能是极低效的管理、关系的普遍运用、任用亲信和裙带关系、大量过剩的劳动力、社会救济金的滥用，当然还包括腐败。

9. A recent survey revealed large disparities in the income levels of male and female workers holding the same position. The determining factor should be qualifications, rather than gender, when determining both the salary and position of an individual. 最近的一项调查表明在同样职位上的男性与女性工人的收入水平存在差异。在决定工人工资和职位的时候，决定因素应该是资格，而不是性别。

10. Social finesse, willingness to relocate and language capacity are also determinant factors in assessing job qualifications. 社交手腕、愿意调动以及语言能力也是评估工作

资格的决定性因素。相关推荐：[英语专四写作佳句篇（7）](#) [论写好专业英语四级便条的技巧](#) [专四应试技巧写作篇汇总](#) [专四写作范文系列汇总](#) [专四写作五大高招一：长短句交插](#) 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
