专八考试作文冲刺试题（2） Topic 3 Nowadays, most universities require students to pay for their education, and the tuition fees have been staying so high that some families cannot afford them. What do you think of the phenomenon? Write an essay of about 400 words on the following topic: Should Universities Charge High Tuition Fees? In the first part of your essay you should state clearly your main argument, and in the second part you should support your argument with appropriate details. In the last part you should bring what you have written to a natural conclusion or make a summary. Marks will be awarded for content, organization, grammar and appropriateness. Failure to follow the above instructions may result in a loss of marks. 范文呈现 Should Universities Charge High Tuition Fees? Nowadays, most universities require students to pay for their education, and the tuition fees have been staying very high. Some people take the development of the universities into consideration and support the high fees, while others think the high cost of university education is a heavy burden for many families. As far as I am concerned, universities are not institutions for profits, which should be places for excellent students to learn and further study equally, so they should not charge high tuition fees that some families cannot afford. In the first place, the high tuition fees make the families save money for the chil 100Test 下
