Many Third World countries are saddle with immense debt burdens, for __2__ example. They were lent money with low interest rates __3__ in the 1970s, when money flooded into Western banks from the oil-producing countries and was lent out to the Third World. The interest rates have then been risen __4__ dramatically. So you have a situation where a country in many cases can ' t even repay the interest, letting alone __5__ the capital, on the debt. And I suppose the best example from what I have come across is a country in West Africa where the consumption, the local consumption of peanuts was banned, because peanuts, if they are imported can bring in a great deal of foreign income. __6__ The peanut is a major source of protein in this country. So you have people go hungry as a result of that. __7__ The peanuts were exported to Great Britain and the United States to feed our cattle. Those cattle then produced a surplus of milk which we do not know what to do with. We have enough milk, more milk than we can cope with in the Western World. And also that milk __8__ was transformed into dried milk powder and then taken back to this country to help feed children who were suffering from malnutrition. So that ' s the kind of insanely __9__ economic relationship that we have got ourselves in __10__ the

Third World. 参考答案及解析: 1.在part前加上a 词组have a part to play in...的意思是“有份儿” 2.saddle改为saddled 此处为被动语态, 应该把动词变为过去分词形式。 3.把with改为at 此处介词与interest rates搭配。 4.删除been (这里应该是把risen改为rising, 答案应该错了) rise是不及物动词, 不用于被动语态。 5.把letting改为let let alone 意思为“更不用提”。 6.把imported改为exported 下文说花生可以带来外汇收益, 出口才会带来外汇, 所以此处应用exported。 7.把have改为had 上文提到该国禁止本国消费花生这件事用的是过去时。 8.把also改为so。 必须把与此相关的几个句子联系在一起理解, 上文说: 花生出口到英国和美国去喂了牛, 而牛又产出了过剩的牛奶, 我们不知道怎么处理这些牛奶。在西方世界, 我们的牛奶够多了, 多得无法处理。本句说: 这些牛奶就被制成奶粉拿到该国去喂养那些营养不良的儿童。由此可见本句与上文是因果关系, 不能用also来连接。 9.insanely改为insane 此处表达“荒唐的经济关系” insane修饰的是relationship, 而非economic, 因此要用形容词代替。 10.把in改为into 词组get in 虽然也可以表达“进入, 陷入”, 但是in为副词, 后面不能跟地点, 所以应该改为into 相关推荐: #0000ff>英语专八突击改错练习汇总 #0000ff>英语专八改错指导: 常用同义词辨析 #0000ff>2010英语专八校对与改错解题技巧 #0000ff>2010年八年级改错指导: 典型语法错误 #0000ff>大家来找错之大学专业八级的改错练习一览表 100Test 下载频道开通, 各类考试题目直接下载。详细请访问 www.100test.com
