：4月16日。考试临近，百考试题专四站点编辑特为各位考友准备了每日一练套餐，考题都为全真模拟试题或历年真题中的题型，与考试题型完全吻合，希望能在最后的冲刺时间里给大家带来一点帮助。

In this section there are four passages followed by questions or unfinished statements, each with four suggested answers marked A, B, C and D. Choose the one that you think is the best answer. Mark your answers on Answer Sheet Two.

TEXT A "Congratulations, Mr. Jones, its a girl." Fatherhood is going to have a different meaning and bring forth a different response from every man who hears these words. Some feel pride when they receive the news, while others worry, wondering whether they will be good fathers. Although there are some men who like children and may have had considerable experience with them, others do not particularly care for children and spend little time with them. Many fathers and mothers have been planning and looking forward to children for some time. For other couples, pregnancy was an accident that both husband and wife have accepted willingly or unwillingly. Whatever the reaction to the birth of a child, it is obvious that the shift from the role of husband to that of father is a difficult task. Yet, unfortunately, few attempts have been made to educate fathers in this reconciliation (协调) process. Although numerous books have been written about American mothers, only

recently has literature focused on the role of fathers. It is argued by some writers that the change to the fathers role, although difficult, is not nearly as great as the change the wife must take to the mothers role. The mothers role seems to require a complete transformation in daily routine and highly innovative adaptation. On the other hand, the fathers role is less demanding and immediate. However, even though we mentioned the fact that growing numbers of women are working outside the home, the father is still thought by many as the breadwinner in the household. 81. From the passage, we learn that fatherhood A. brings a feeling of excitement to most men. B. makes some men feel proud and others uneasy. C. has a different meaning for men who have daughters. D. means a responsibility that men accept unwillingly. 82. What does the passage say about the shift from the role of husband to that of father? A. Numerous books have been written about it. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
