The Secret Intelligence Service (SIS), colloquially known as MI6 is the United Kingdoms external intelligence agency, part of the countrys intelligence community. Under the direction of the Joint Intelligence Committee (JIC), it works alongside the Security Service (MI5), Government Communications Headquarters (GCHQ) and the Defence Intelligence Staff (DIS). Within the civil service community the service is colloquially referred to as Box 850, which comes from its old post office box number. Since 1995, the Secret Intelligence

Service has had its headquarters at Vauxhall Cross on the South Bank of the Thames. It should be noted that the British Government did not fully officially acknowledge the existence of SIS or any other security services throughout their existence until 1994. Sir (Robert) John Sawers, KCMG is a British diplomat. He is the current British Permanent Representative to the United Nations (UN) since August 2007. He is due to take up his new role as Chief of MI6 in November 2009. In July 2009 his family details were removed from the social networking site Facebook. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
