The company is committed to providing the “ right type of culture and environment for employees and this includes physical exercise ” . “ 我们正在建一座码头，凸式码头，我打算购置六艘皮划艇和独木舟， ” 该公司首席执行官乔恩#8226.奥尔森(Kate Olsen)表示。“ 我们还请来各类运动的专业教练，如高尔夫、网球和极限飞盘。 ” Chiswick Park makes the most of its leafy location near the River Thames, too. There is a running club and the site has 10 bikes that the 4,500 employees of the tenant companies can borrow. “ There's a mapped 10km route and a 5km route, ” says Ms Olsen, “ and if you want something different the receptionists can recommend routes. ” Chiswick公园充分利用了坐落在泰晤士河附近、林木葱郁的地理优势。园内一间跑步俱乐部有10辆自行车，园区企业的4500名员工可以借用。“ 有两条划定的线路，分别是10公里和5公里， ” 奥尔森表示，“ 如果你想走不同线路，接待员可以推荐。 ” Gwen Clerc, contract manager at Intelsat, one of the companies with offices at the park, is a regular cyclist and has used the free bikes for everything from exercise in nearby Gunnersbury Park to popping to local

shops. “ Its a great idea, very handy and very popular with staff, ” she says. If you get there late on a sunny day, theyve often run out of bikes. ” 园区内的Intelsat公司的合同经理格温·克拉克(Gwen Clerc)就经常借自行车，他会骑着免费自行车去办各种事情，比如到附近的Gunnersbury公园锻炼，到当地商店购物。“ 这是个绝妙的点子，非常便利，很受员工欢迎， ” 她表示。遇到阳光明媚的日子，如果你去得晚了，自行车经常被借光了。 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
