现在就让我们来了解和学习这些内容吧。 More than fifty years ago, at the New York World ' s Fair, the forecast for American life was something like this: "In the future, technology will bring a higher standard of living. Labor-saving machines will give Americans more free time." 50年前，在纽约世界博览会上，有人预言美国的生活会是这百考试题论坛样：“在未来，技术会带来更高的生活水平。省力机械会给美国人更多的自由时间。” But this forecast was only partly true. Modern machines, like Robbie ' s home computer, make work simpler, but life is also complicated. In many American families, both the husband and the wife have jobs. This gives them less free time. Like Philip,百考试题 - 全国最大教育类网站([www . Examda。 com](http://www.Examda.com)) many Americans have trouble finding time for personal activities such as fishing. But most Americans are able to enjoy some leisure time. Because they are so busy, many Americans need to plan their leisure time carefully. 但这个预言只是部分地实现了。现在机械，像Robbie的家用计算机，使工作更简单了，但生活也更复杂了。在许多美国家庭里，夫妻俩都有工作，这使他们很少有自由时间。许多美国人像Philip一样，很难找出时间用于钓鱼之类的私人活动。但是大多数美国人还是能享受一些休闲时间，因为他们太忙了，许多美国人需要仔细地计划他们的休闲时间。 100Test 下载
