For six months Ive been trying to work up the nerve to ask her to marry me, but Im afraid all shell do is laugh. 我和苏珊已经约会了三年了,我对她一往情深。最近六 个月来我一直想鼓起勇气开口向她求婚,但我老觉得难以启 齿,因为我怕她会一笑了之。我们再来学个习惯用语: have got a lot of nerve。在这个习惯用语里, nerve不再解释为"神经 "或者"勇气",而是"鲁莽"。例句-3:Youve really got a lot of nerve telling me I spend too much money! Remember, you are the one who goes up to New York every month and brings back a

thousand dollars worth of stuff. 你也好意思说我花钱太多?你每 个月都得去一次纽约,而且每次总要买一千多美元的东西! 这儿have got a lot of nerve是用来指责对方厚脸皮,或者太鲁莽 的说法,这个习惯用语通常是争论中用的。还有一个习惯用 语和这个说法意思一样,而且也常用在争吵的时候。它是: of all the nerve。 Of all the nerve和have got a lot of nerve都可以用来 说对方太莽撞甚至厚颜无耻。 例句-4: Of all the nerve! How dare you criticize me for being late in the morning. Youre the one who sneak out half an hour early - at least I work a full eight hours every day! 真是大言不惭!你还说我早上迟到?你自己每天提 前半小时就回家了,至少我每天都待够八小时。美国人还喜 欢用chutzpah这个词来代替nerve指责别人蛮横或者厚颜无耻 ,看看下面的例子:例句-5:The man murdered his father and mother, but at his trial he had the chutzpah to tell the judge that he shouldnt be sent to prison because his parents were dead and he was an orphan. 这人谋害了他的父母,但是在审判中他竟然恬不知 耻地对法官说,他不该坐牢,因为他父母双亡,是个孤儿。 相关推荐: #0000ff>中国习惯用语英译 #0000ff>习惯用语 : 24-7 全天候、随时 #0000ff>翻译一点通:用英文表达这些熟 悉的#0000ff>成#0000ff>语 100Test 下载频道开通,各类考试题 目直接下载。详细请访问 www.100test.com
