Ask him about almost anything else in finance and he is far less reticent. In an industry whose leaders remain scared to lift heads above the parapet, Mr Dimon has been unusually vocal in criticising the regulatory overhaul of finance. He recently grilled Ben Bernanke, the chairman of the Federal Reserve, in public about the unintended consequences of America ' s Dodd-Frank reforms. 现任摩根大通（JPM）总裁的杰米 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
