MA When students move to a new school, they sometimes face problems. How can schools help these students with their problems? Use specific reasons and examples to explain your answer. Students moving into a new community and attending a new school can face a lot of problems. Their biggest worry is usually fitting in. The school counselor, the school ' s administration and the students ' teachers can all help the students come through this experience successfully. They can engage other students to become involved with the new students, too. New students in a school need to feel like part of the school community as quickly as possible. A school administrator should begin by giving students a complete orientation to their new school. They should take them on a tour of the school and show them the classrooms, gym, computer lab, band room, and cafeteria. They should tell them about the history of the school, its academic achievements, and its athletic and debating teams. The administrator can talk to the students about what ' s expected of them in the classroom and what rules the school has. The school counselor should talk to the students what they ' re most interested in studying. If these are older students, the counselor can ask them about career interests. If these are

younger students, the counselor can ask them about their favorite subjects at their old school. The counselor can tell the students about all the extracurricular activities there are at the school. For example, the school might offer things like sports, art, music, and working on a school newspaper. The teachers have the most important job when it comes to new students. It ' s up to them to help the students meet other students in class. They can also help them learn how classes are conducted in their new school. They can encourage other students to make friends with new people and help them learn the system. Since they ' re with the students the most, they can keep an eye on them and make sure they ' re adapting well. 相关推荐 : #0000ff> 托福满分作文幸福是否可以用金钱购买 #0000ff> 托福写作优秀范文实例汇总 #0000ff> 新托福写作辅导 : 新东方范文50篇下载 #0000ff> 托福范文系列汇总 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 www.100test.com
