biography books, because although we ' d love to say that the society is changing and developing, human nature never changes much. And the biography books help me understand the nature behind the more visible events. I may encounter the same problems in the future and I ' d like to know how others deal with them. And everyone is trying to present a more glamorous version of the self and it creates lots of illusions. Biography is a kind of way to break down these illusions and offers the truth about humanity. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
