1.用词不当 学生们写的作文里或多或少都会有一些用词不当的问题，但是要注意的是一些最最基本的错误是不能犯的。 In the show , if

participators answer twenty problems that the host mentioned correctly , they will get five hundreds thousand U.S. dollars as a prize. problems应改为questions 2.拼写错误 这里的拼写错误不是指在考试时候的误打，而是本身对词汇拼写记忆的错误。

In conclusion , issue of whether parents are the best teachers is a complex one , requiring subjective judgement , consequently , there are no easy or certain answers. judgement应改为judgment 3.

乱用大词 First of all , children can earn money from their jobs , although there isn ' t too much , but they will keep their salary gingerliness.这里的gingerliness根本是不知所云。该句子还有以下问题： 1) 该作文题目是讲学生是否应该做兼职，因此children的出现就显得很莫名其妙； 2) although和but是不能连用的； 3) 指代不明，they不知道是指代前面的什么； 4.表达中式

The second argument-it might have been noticed by others-is that in some occasion , it is quite difficult to compare parents to teachers because parents are a kind of people , teachers are a kind of vocation. 句子中划线部分的表达过于中式化。 5.

表意重复 They shocked their friends , devastated their families , crushed their best friends. 前面已经提到了朋友，后面又提到朋友。 The show is so compelling but attractive. compelling

和attractive是同义词，所以这里这么写就让人不明白。 6.固定用法错误 To some extends , I agree with the author ' s general assertion that if parents also have a comprehensive sense of professional knowledge. To some extends应改为To some extent中
