第一节 19. Car Accidents Declining in Walton City According to the graph, the rise and fall of the rate of car accidents in Walton City varies with the seasons. From January to March last year it increased by 45%, from March to June it dropped by about half the previous rate. and from June to August there was a steep rise of 50%. After that, however, there was a steady decrease, and this makes us optimistic that car accidents are declining in Walton City.
