相应作文：The importance of self-confidence
Currently, self-confidence has been the order of the day. This does demonstrate the theory nothing is more valuable than self-confidence. It is clear that (self-confidence means trust in ones abilities). If you (are full of self-confidence, it will bring your creative power to play, arouse your enthusiasm for work, and help you overcome difficulties), as a result, your dreams will come true. On the contrary, if you (have no confidence in yourself, there is little possibility that you would ever achieve anything).

Failure will be following with you。 It turns out that all your plan falls

through. No one can deny another fact that (self-confidence gives you light when you are in dark and encouragement when you are dismayed). You don't have to look very far to find out the truth, in respect that we all know (the secret of MMe. Curie lies in perseverance and self-confidence, the latter in particular). It will exert a profound influence upon (the achievement of one's ambitions).

With reference to my standpoint, I think (he that can have self-confidence can have what he will). 二、说明原因型模块 In recent years, XX has caused a heated debate on (1). The factors for (2). First of all, (3). Then, there comes a case that (4). Moreover, (5). Especially when (6). Indeed, these unique points can be collected to remind people that (7). In this way, we should behave just like (8).

相应作文： The impact of Television In recent years, with the development of science and technology, 80 percent of all homes in China have satellite TV, offering as many as 50 channels. It has caused a heated debate on (the impact of television on children). Many parents are worried about the impact of so much television on children. The factors for (parents worry is that children are indulged in television and spend too much time on it.). First of all, (with so many programs to choose from, children are not getting as much exercise as they should). Then, there comes a case that (some studies have shown that excessive watching of television by millions of children has lowered their ability to achieve in school). Moreover, (the effect on children's minds is more serious than the effect on children's bodies). Especially when (the children are too small to judge what programs are suitable to them). Indeed, these unique points can be

connected to remind parents that (they should pay close attention to and responsibilities for supervising their childrens TV viewing). In this way, children will not be influenced too deeply. 三、说明原因型模块 For most of us today, (1). From above, we can find that the reasons why (2) are as follows. The primary reason, I think, is (3). Second, (4). The third reason, actually, is (5). The significance for (6). Therefore, (7). 注释： 1、人们针对XX的态度和举措 2、归纳现状 3、第一个原因 4、第二个原因 5、第三个原因 6、重申造成现状的最重要原因 相应作文：百考试题 - 全国最大教育类网站(www . 100test. com) Pollution Most of us today (recognize that environmental pollution has been a greatly serious problem. lots of plants trees corps are destroyed by bad air. many fish die of poisonous water. thousands of people die from eating poisoned fish or breathing in gas. therefore, environmental pollution should be responsible for these diseases that are disabling, or bringing death not only to human beings, but also to wild life.) From above, we can find that the reasons why (environment are polluted more and more seriously) are as follows. the primary reason, I think, is (the reason of harmful substances into environment. for example, to prevent insects, farmers make use of great amounts of insecticides, so as to have bumper harvests. however, they pollute air, water and land). Second, (the gas coming from the car engines and factories also make environment polluted badly). the third reason actually is (the result of a growing population in the world. everyday, so much litter and waste are poured out from houses, also pollute the environment). The significance for (controlling pollution) noted that its high time

that more effective measures should be taken. Therefore, (new laws should be passed to limit the amount of pollutants from factories. moreover, in the households, there is an obvious need to reduce litter and waste. lets make our good efforts, and the world will be a safer place to live for us).

四、说明原因型模块

相应作文： Pollution of environment These days we often hear that (our living conditions are getting more and more serious because of the destruction of our environment).It is common that (many trees and animals are near extinction, and the all-important food chain has been destroyed.). Why does such circumstance occur in spite of social protects? For one thing, (the population of the world is increasing so rapidly that the world has been so crowded.).For another, (the overuse of natural resources has influenced the balance of natural ecology). What is more, since (the industrial revolution),it is natural that (a great number of factories have been springing up like mushrooms. The smoke and harmful chemicals released from factories also pollute the environment). To solve the problem is not easy at all, but is worthing. We should do something such as (planting more trees, equipping cars with

pollution-control devices and learning to recycling natural resources)to improve the present situation, and I do believe everything will be better in the future. 图表式作文写作模板 It is obvious in the graphic/table that the rate/number/amount of Y has undergone dramatic changes.
