参观博物馆 Free Admission to Museums ? Nowadays, a lot of museums open to the public for free, and a lot of people are attracted to go there. However, it also brought some unexpected problems. At present, people can get knowledge from many ways like libraries, internet, and other sources. However, there is also much information that people cannot get from the above ways. Free admission museums supply more chances for the public to get knowledge that cannot be easily accessed. People can learn more things about history, art, science and so on. Although, this kind of policy brought much convenience to the public, it also caused some problems. For example, beggars and shabby-dressed people may enter the museums and cause bad reputation among the public. along with the increasing number of people getting into museums, there will be no enough service establishments to meet the requirements. besides, under the policy of free admission, the cultural relics displayed there may be inevitably broken or damaged by the crowds. Moreover, the crowds in the museums may also cause security problems. In my opinion, free admission is a good policy for the public, and it brings the public much convenience. But, we should also take possible measures to protect the cultural relics and maintain the order of spot. Besides, we can also take the policy of giving free admission first to children, then to the retired person, and last to the public. I think,

this may help to solve the problems. 相关推荐：[2011年英语四级考试写作备考汇总](#) [2011四六级写作中用得到的关键词汇及短语](#) 为了能及时获取2011年英语四级考试相关信息，建议大家收藏[百考试题英语四级考试频道](#)点击收藏，我们会第一时间发布相关信息。[100Test](#) 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
